

## **Information: Scholarship Funding** **Green.Building.Solutions. (GBS) Summer University 2023**

The not-for-profit **Green.Building.Solutions. Summer University** (7 ECTS) provides world-leading insight into sustainable architecture and the built environment by experts in their fields. The academic program aims at architects, planners and engineers and will take place from **15th July to 6th August 2023**.

Thank you for your interest in funding the GBS 2023, organized by the non-profit **OeAD student housing** and the intention to support a future change maker in the field of ecological architecture, energy efficient design and climate friendly building.

The **funding of scholarships** enables highly qualified student with financial needs to participate in the Green.Building.Solutions. Summer University and consequently increases accessibility to the summer school. This is important to broaden perspectives and to implement sustainability in the building sector in other countries by the multiplication of knowledge gained in Austria.

As a sponsor, you have the opportunity to **participate in the selection** of the applicants, respectively you can choose the student, who you would like to fund (e. g. by announcing criteria according to your company's interest, business sector or preferred region).

In addition, all our sponsors are cordially invited to attend the **public opening and the closing ceremony** in Vienna, where you can get to know "your" scholarship receiver personally.

Furthermore, the logo of your company will be integrated in the final reports, and we will **publish your logo** on our supporters website, as you can see [here](#).

You can **communicate the financial support** and the collaboration to your business partners and customers. We will provide you with texts, social media posts, articles, press releases and pictures during the year. Also, we will share the info on our social media channels. After the event reports and professional pictures are made available for your individual use.

**Net price for a scholarship** is **EUR 2.000, -**.

Application deadline for scholarships: April 03, 2023

General deadline for application: June 30, 2023
