ALTERNATIVE ECONOMIC
& MONETARY SYSTEMS

I'm currently doing an MBA in Global Management and I attended AEMS 2022 to learn about economic and monetary systems. The course also covered economic growth, de-growth, decoupling and more. I also enjoyed being in the company of new people.

I've had a great time here in Vienna and I've made so many new friends. The experience of living in a dorm with students all around you is super.

I think everyone should get an opportunity to attend AEMS and learn about economics, as well as enjoy some time in Vienna.
